## NEWS RELEASE

---

### **OSBORNE OPENS SALES/SERVICE OFFICE IN CHINA**

A new sales and service office has been established in Shanghai, China by Osborne Industries, Inc. “Our Shanghai office now gives us the ability to participate in the rapidly expanding pork industry in China with our best technical products,” said Ron Thibault, V.P. Marketing. Mr. Steve Langley manages the new Osborne office. “Steve Langley has nearly 10 years of experience in the Chinese agricultural market and 25 years in agribusiness. His study predicts continued growth for our advanced systems in the modern Chinese pork industry,” Thibault commented.

Mr. Shi Jingcheng has recently joined the company to deliver field sales support and on-farm contact with Osborne customers. Mr. Shi is located in Jiangmen City, Guangdong Province, a main pork-producing region in China. “With advanced degrees in animal science and animal breeding and over ten years of practical production experience, Mr. Shi supplies practical and knowledgeable support for Osborne products,” noted Thibault. “Mr. Shi is very well acquainted with the rapid modernization of pig production in China and the opportunities that this presents for Osborne products and systems. With this addition to our team, we are ready to participate in this exciting market.”

Osborne Industries, Inc., Osborne, KS is a diversified manufacturer of livestock management systems including feeding, heating, ventilating, weighing, and tracking automation.
